

No talking

The book "No Talking" by Andrew Clements is a good book. Boys and girls have a contest to see who can talk the least. Who will win? What will the teachers do?

It has some funny parts. It's only 20 chapters long and with each chapter about 5 to 13 pages, it's a quick read!

If you like Gordon Korman, Louis Sachar and other Andrew Clements books you will probably like this one. I recommend this book to kids 9+.
